Dear Parents,

Thank you for your interest in our school. We have adopted an admissions policy that opens the school to families who are like-minded spiritually, who are supportive of our philosophy, objectives, and standards to education, and whose children meet our enrollment standards. Our purpose is to serve families who desire not simply a private education, but a distinctively Christian education for their children.

Before applying for admission to our school, please read the portions of the Student Handbook provided in this introductory packet. The Student Handbook will introduce you to many of the school's policies, procedures, and expectations for both parents and students.

This school unashamedly believes, teaches, and practices a literal interpretation of the Word of God. If you do not agree with our religious mission and beliefs, enrolling your child in our school will likely cause him or her confusion. For example, if a question regarding biblical lifestyles arises in chapel or your child's classroom, the teacher will answer from a biblical viewpoint consistent with our mission and belief statement. If your beliefs and lifestyle choices are not in agreement with our doctrinal stance, that answer will likely create conflict in your child's heart and mind. This internal conflict could drive a wedge between you and your child, cause your child to negatively judge you as a parent, or force your child to choose between our teaching and what he or she learns at home. We respect your desire to place your child in the best possible learning environment, but if you are not in full agreement with our doctrinal positions, it will be best for all concerned if you do not enroll your child at our school.

Biblical principles are integrated into every subject taught at our school. Our staff is committed not only to academic excellence, but also to teaching students how to apply the truths of God's Word to every aspect of life. If you are in agreement with the teachings of God's Word, this school will complement the beliefs and ideals your child is taught at home. We look forward to partnering with you to educate your child in God's truth.

Statement of Mission

Faith Fellowship Christian School is a school that exists to challenge boys and girls to know Jesus Christ as Lord, to love others as themselves and to grow in knowledge and skill in order that they may serve the Lord through their character and leadership.

Statement of Philosophy

The mandate of Christian education comes from God's command that children be taught to love God and to give Him preeminence in their lives, and from Biblical teachings that parents are responsible for the total education of their child.

"Train up a child in the way he should go, even when he is old he will not depart from it."
Proverbs 22:6

"Your children will be taught of the Lord; and the well being of your children will be great." Isaiah 54:13

The education philosophy of Faith Fellowship Christian School is dependent upon the Bible for providing the viewpoint for interpreting any subject or any school activity. The entire process of education is seen as a means used by God to bring the student to Himself through personal faith in Christ, and to develop a Christian mind to fulfill God's will for his or her life vocationally and personally.

At a time in our society when standards of morality, personal integrity, spiritual awareness and academic performance are in decline, FFCS stands ready to promote and inculcate those time tested honorable virtues of faith in God, obedience, self-discipline, individual responsibility, personal integrity and love toward our country, into the heart and lives of each student.

The Christian school is committed to raising up young men and woman confident of their relationship with God and established by a rigorous education training ready to step forth and accept God's leading in their lives. We look forward to the opportunity of working with you in training your child. Remember, "In Christ are hidden all the treasures of wisdom and knowledge." (Colossians 2:3)

FFCS is a ministry of Faith Fellowship Church, which is a Full Gospel Church in believe and practice. However, since the ministry of the school is to a wider body of Christ, the philosophy and practice of the school in regards to denominational and doctrinal issues is strictly focused on the foundational truths of the Bible.

3190 Control of Student Conduct

It is our goal that Christian love be at the heart of discipline. Any policy should have at its core a commitment to fulfill the Biblical assessment of discipline as well as the strongest possible effort to support the parents of our school students. We at FFCS see Biblical discipline in three distinct aspects.

- 3191** The first aspect of discipline is teaching. The behavioral standard must be clear. Simple and clear instruction founded on God's word is a must.
- 3192** The second aspect of discipline is the putting forth of examples of role models. The teacher and staff are to show by example the truth, which they have taught. This, of course, reinforces that truth and adds power to the teaching that has been done (1 Timothy 4:12 KJ)
- 3193** The third aspect of discipline is the corrective consequences taken to enforce sound behavior. This involves many means such as missing recess, loss of privileges, detention, notes and conferences with parents, public apologies (restitution). We also reserve the right to suspend and/or expel students if the situation warrants it. (Titus 2:15 AMP)
- 3194** Mischievous problems are essentially any violation of a class rule such as whispering, disturbing other students, fooling around, etc.
- A.** A first offense will be treated with a verbal rebuke or warning.
 - B.** A second offense will be treated with the loss of a privilege.
 - C.** A third offense will be responded to with age appropriate consequence. A note will be sent home and will need to be returned with a parent signature.
- 3195** Moral problems are when a mischievous problem continues uncorrected. Moral problems can include lying, stealing, cheating, fighting, overt disobedience to God's commandments and disrespectful or defiant attitudes.

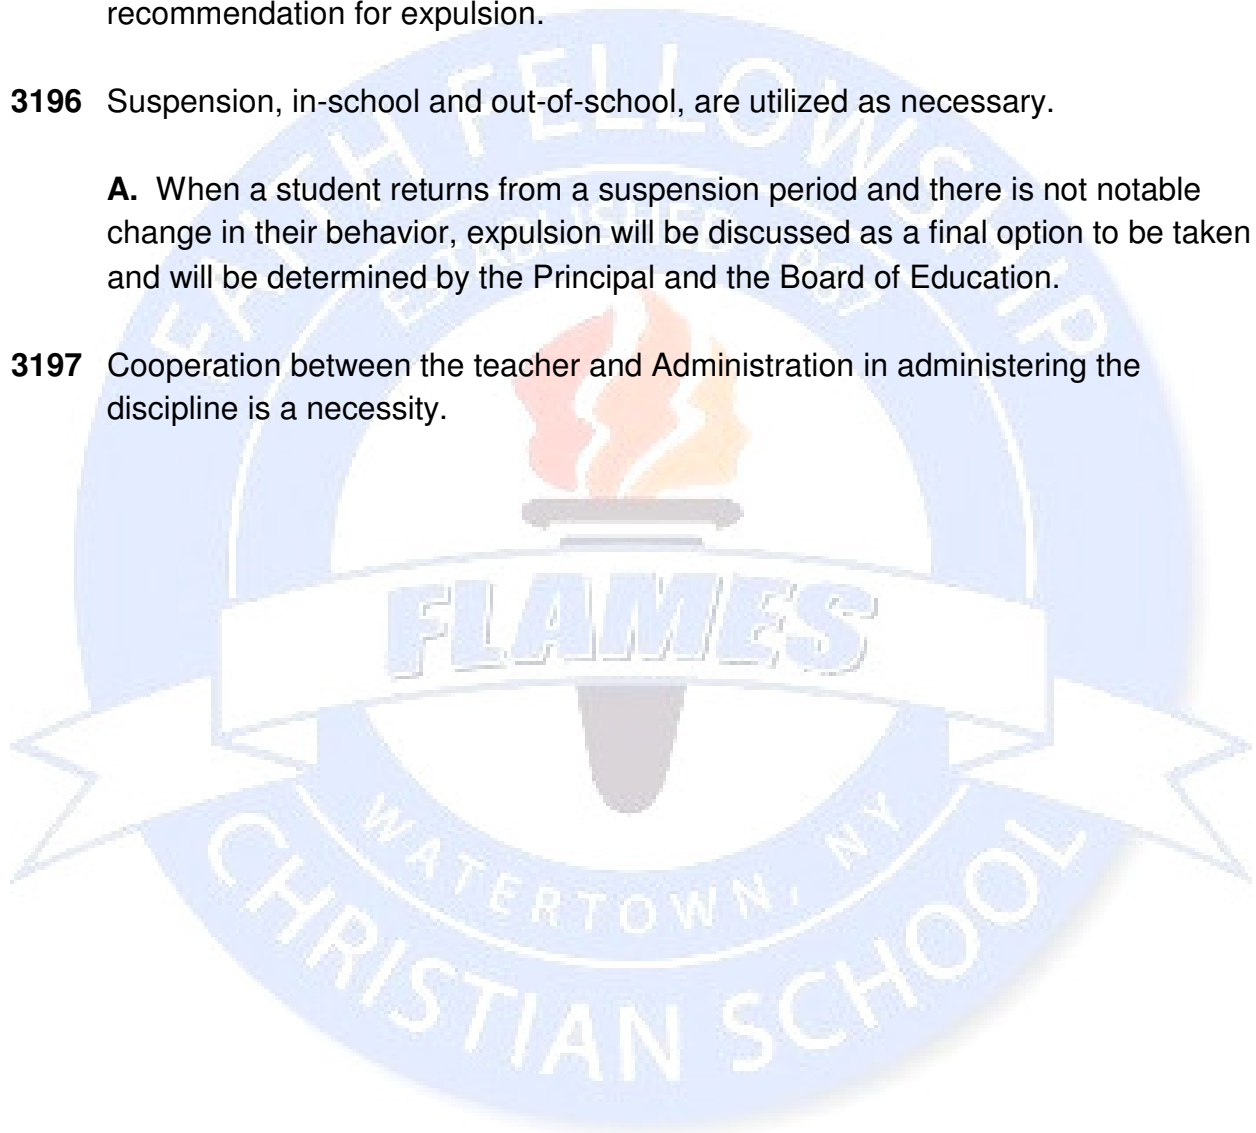

A. A first offense will be treated by notifying the student and explaining the offense. Parents will be contacted the same day. Middle and High school may receive a detention.

B. A second offense will be responded to with a request for a parent conference with the teacher and the Principal as soon as possible. Disciplinary action will be decided by the teacher and Principal and can include suspension or a recommendation for expulsion.

3196 Suspension, in-school and out-of-school, are utilized as necessary.

A. When a student returns from a suspension period and there is not notable change in their behavior, expulsion will be discussed as a final option to be taken and will be determined by the Principal and the Board of Education.

3197 Cooperation between the teacher and Administration in administering the discipline is a necessity.

It is a priority of Faith Fellowship Christian School to carefully manage finances in a manner that will keep the Christian School option as affordable as possible for Christian families. Tuition has remained relatively low largely because of the willingness of the entire school staff to serve for less remuneration than they might make in the public workplace. In a very real sense, the FFCS staff is the school's largest donor. The church of Faith Fellowship also supplies the building and all utilities, as well as some of the staffing.

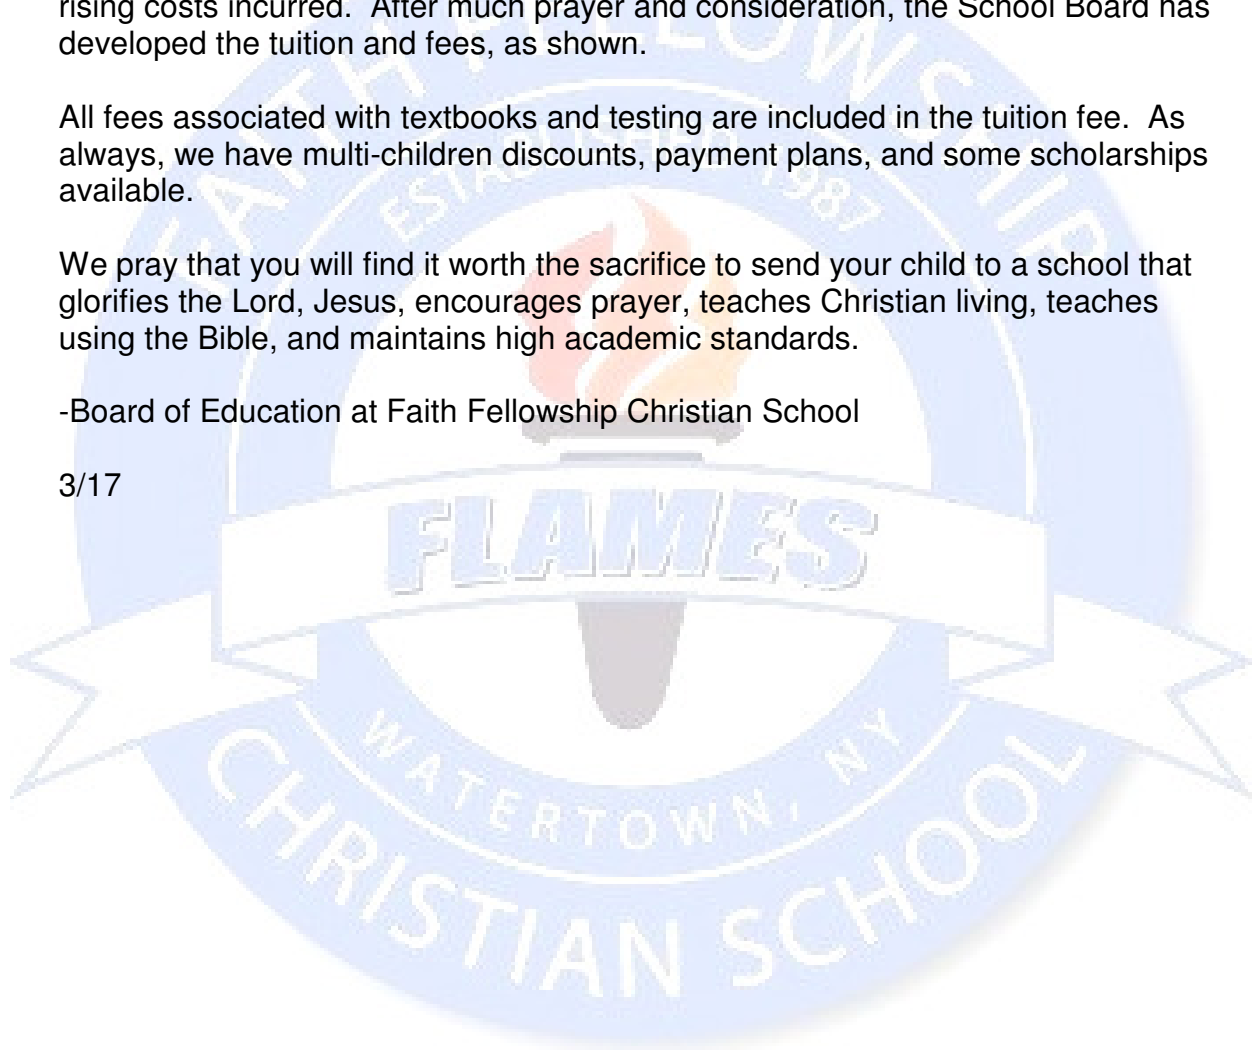

We work very hard to provide your child(ren) maximum education at a minimum cost. The school's leadership has been faced with the issue of how to fund the rising costs incurred. After much prayer and consideration, the School Board has developed the tuition and fees, as shown.

All fees associated with textbooks and testing are included in the tuition fee. As always, we have multi-children discounts, payment plans, and some scholarships available.

We pray that you will find it worth the sacrifice to send your child to a school that glorifies the Lord, Jesus, encourages prayer, teaches Christian living, teaches using the Bible, and maintains high academic standards.
